5 DIRECT EXAMINATION

6 BY MS. CLARKSON:

7 Q. Please state your name for the record, please?

8 A. My name is Kelly Scott.

9 Q. Do you sometimes go by another name?

10 A. My middle name. But I hardly ever use it, which is  
11 Noelia.

12 Q. Okay. Is that N-o-e-l-l?

13 A. N-o-e-l-i-a.

14 Q. I'm going to ask you to take a look at this and see  
15 if you recognize it?

16 A. Yes, I do.

17 Q. Okay. Is that the Subpoena that brought you here  
18 today?

19 A. Yes.

20 MS. CLARKSON: I'd like to have this marked as  
21 Exhibit 1.

22 (Thereupon, the document was marked as Plaintiff's Exhibit  
23 1 for identification.)

24 MS. CLARKSON: Doug, did you get a copy of the  
25 Subpoena?

1 MR. LYONS: No, I did not.

2 MS. CLARKSON: If you want one I can have it sent to  
3 you.

4 MR. LYONS: Thank you.

5 MS. CLARKSON: You're welcome.

6 BY MS. CLARKSON:

7 Q. Have you ever had your sworn statement taken before?

8 A. Yes.

9 Q. When was that?

10 A. More than fifteen years ago.

11 Q. For a case?

12 A. Yes.

13 Q. What kind of case?

14 A. Child molestation.

15 Q. Against?

17 Q. Okay. Who was the defendant in that case?

18 A. It was Rebecca Diaz.

19 Q. And who was the plaintiff in that case?

20 A. I can't remember.

21 MS. CLARKSON: Since it's been a while, remember to  
22 answer verbally because when you nod your head like that  
23 she can't take it down. And if you say uh-huh, we don't  
24 know if that's a yes or a no. Okay?

25 THE WITNESS: Okay.

1 MS. CLARKSON: Perfect. And if you need a break just  
2 let me know.

3 If you don't understand a question that I ask, ask me  
4 to repeat it because I want you to understand before you  
5 answer.

6 THE WITNESS: All right.

7 MS. CLARKSON: Okay.

8 BY MS. CLARKSON:

9 Q. This Subpoena was served on you and that's why you're  
10 here today. Correct?

11 A. Correct.

12 Q. Okay. This says it's in the investigation of the Law  
13 Offices of David J. Stern, P.A. Are you familiar with the Law  
14 Offices of David J. Stern, P.A.?

15 A. Yes.

16 Q. How are you familiar with them?

17 A. That was my previous employer.

18 Q. When did you work there?

19 A. In 2008.

20 Q. For how long about?

21 A. A year.

22 Q. When in 2008?

23 A. 2008? January 24th and I left the firm some time in  
24 February of 2009.

25 Q. So a year, a year and a week and a month?

1           A.     Uh-huh.

2           Q.     And what was your position at that office?

3           A.     I was the legal assistant to Cheryl Salmons  
4           (phonetic).

5           Q.     Of you were her legal assistant?

6           A.     Yes.

7           Q.     Okay. Did she have any other legal assistants?

8           A.     At the time, yes.

9           Q.     Who else was her legal assistant?

10          A.     Marsha. Not Marsha. I can't remember. I'm trying to  
11          remember her name. I just can't remember right now.

12          Q.     Okay. If you do remember it let me know.

13          A.     Okay.

14                   MS. CLARKSON: Okay. Thank you.

15                   (Thereupon, a discussion was held off the record.)

16          BY MS. CLARKSON:

17          Q.     Okay. Go ahead. Do you recall?

18          A.     Yes, I recall. The other assistant, when I came in  
19          2008, her name was Marvis Brown.

20          Q.     M-a-r-v-i-s?

21          A.     Yes.

22          Q.     And were you the two assistants together?

23          A.     Yes.

24          Q.     Was there ever a time when you were just the  
25          assistant by yourself?

1           **A.**     Yes.

2           **Q.**     When was that, approximately?

3           **A.**     2008, Mother's Day.

4           **Q.**     In May?

5           **A.**     Yeah, it was in 2008. Marvis quit the firm.

6           **Q.**     Do you know why she quit?

7           **A.**     No.

8           **Q.**     Okay. Do you know if she went to work someplace  
9 else?

10          **A.**     I have no idea.

11          **Q.**     So as the assistant to Cheryl Salmons, what were your  
12 duties?

13          **A.**     Assisting Cheryl with her work, daily.

14          **Q.**     What was her work, daily?

15          **A.**     Her work, daily, was reviewing files, checking voice  
16 mail, e-mails, assisting clients daily, requesting documents.

17          **Q.**     Requesting documents from who?

18          **A.**     From the client.

19          **Q.**     And the client would be, for instance?

20          **A.**     The banks. Any type of banks.

21          **Q.**     Like a Wells Fargo?

22          **A.**     Wells Fargo, Countrywide, Citi.

23          **Q.**     Okay. And she would request documents from them?

24          **A.**     Yes.

25          **Q.**     Do you know what kind of documents?

1           **A.**     Demand letters and original Notes.

2           **Q.**     Original Notes and Mortgages?

3           **A.**     Yes.

4           **Q.**     And this was for the purpose of what?

5           **A.**     For the purpose of obtaining hearings. We need to,  
6 you know, request documents before we can, you know, submit our  
7 motions in the court.

8           **Q.**     And this is foreclosures? Is that what you're  
9 talking about?

10          **A.**     Yes.

11          **Q.**     What else did she do?

12          **A.**     Chronology.

13          **Q.**     Which is what?

14          **A.**     The foreclosure time line.

15          **Q.**     It had to be done within a certain amount of time?

16          **A.**     Correct.

17          **Q.**     Anything else? Did she sign documents?

18          **A.**     Yes.

19          **Q.**     Did she notarize documents?

20          **A.**     I don't recall.

21          **Q.**     Did she witness documents?

22          **A.**     No.

23          **Q.**     She basically executed them?

24          **A.**     Yes.

25          **Q.**     And what was her job title?

1           **A.**     Office Manager for the Foreclosure Department.

2           **Q.**     Did that include all departments in foreclosure?

3           **A.**     Yes.

4           **Q.**     Every single department, whether it was assignments  
5 or the lawyers or the paralegals? Was she like the Queen Bee?

6           **A.**     She was the Queen Bee for the Foreclosure Department  
7 but not for the attorneys.

8           **Q.**     She didn't tell the attorneys what to do?

9           **A.**     No.

10          **Q.**     Who told the attorneys what to do?

11          **A.**     Miriam Mindietta and Beverly Macoma.

12          **Q.**     And are they lawyers?

13          **A.**     Yes.

14          **Q.**     Do you remember what they're positions were?

15          **A.**     They are the head managers for all of the attorneys  
16 in the firm.

17          **Q.**     Okay. There were two of them?

18          **A.**     Yes.

19          **Q.**     And do you know, when you left there were they still  
20 working there?

21          **A.**     Yes.

22          **Q.**     So describe Cheryl Salmons role in the firm, if you  
23 would?

24          **A.**     Can you be a little bit more specific.

25          **Q.**     Well, was she -- Was it what she said went?

1           A.     Yes.

2           Q.     As far as staff was concerned?

3           A.     Yes, she controlled exactly what occurred and what  
4 needed to occur to get a hearing granted.

5           Q.     In your opinion, did she do what David Stern told her  
6 to do?

7           A.     Yes.

8           Q.     Okay. And why is that your opinion?

9           A.     Because I was there and saw it and I heard it.

10          Q.     Okay. Could you tell me what you saw and heard?

11          A.     We had rapid docket.

12          Q.     You had what?

13          A.     Rapid docket.

14          Q.     Rapid?

15          A.     Yes, rapid docket. Which means that we can have a  
16 certain of files per day; 200 to up to 500 and it would be a  
17 five minutes hearing. So we --

18          Q.     Five minutes for each?

19          A.     Five minutes for each.

20          Q.     Okay.

21          A.     And we would push out as many files as we can and get  
22 all the pleadings entered and granted.

23          Q.     And that is -- Who told her that? Who told her that  
24 was what she was supposed to be doing?

25          A.     David Stern.

1 Q. Would you see him there often?

2 A. Yes.

3 Q. So he was hands on?

4 A. Yes.

5 Q. Do you know how many employees the Law Office of  
6 David Stern had?

7 A. At the time when I started it was 327 and when I  
8 resigned it was 857.

9 Q. That's a lot of growth.

10 A. Yes.

11 Q. As you're assistant to Cheryl Salmons, did you ever  
12 sign any documents --

13 A. No.

14 Q. -- as witnesses? As a witness?

15 A. No.

16 Q. As a notary?

17 A. No.

18 Q. As a person executing the document?

19 A. No.

20 Q. Have you seen the system that is used to -- in the  
21 office, to witness, execute and have notarized documents?

22 A. Yes.

23 Q. Can you tell me how that system operated?

24 A. How the system operated is that every paralegal in  
25 the firm, they were all notaries.

1 Q. They were notaries?

2 A. Yeah, they were notaries. They had their stamp. They  
3 would prepare all of the motions. The junior would prepare it.  
4 They'd get all the pleadings, documents.

5 And once they were printed out and they received the  
6 original docs from the file room, the senior paralegal, which  
7 would be the team lead, would notarize the file, sign it.

8 Once they notarized and signed it, then they would take it  
9 to each floor.

10 We had at that time, like, four floors. So it would be  
11 laid on a table.

12 Q. A long table?

13 A. A long table.

14 Q. Like this conference table?

15 A. Yes.

16 MS. CLARKSON: Okay. Let it note that this  
17 conference table look to be fifteen feet long and about  
18 five feet wide.

19 BY MS. CLARKSON:

20 Q. Go on.

21 A. They would stacked amongst each other, side by side,  
22 and Cheryl would come twice a day, in the morning and  
23 mid-afternoon, around two or three o'clock and she would sign  
24 all of them; every single one of them.

25 Q. But they've already been notarized?

1           **A.**     They've already been notarized.

2           **Q.**     And what about witnessed?

3           **A.**     There was no witness there.

4           **Q.**     There was no witness there at the time?

5           **A.**     None whatsoever.

6           **Q.**     So you don't -- Have you ever seen witnesses execute  
7 the documents as witnesses?

8           **A.**     Yeah.

9           **Q.**     When it's already done?

10          **A.**     Yes.

11          **Q.**     Okay. How would that happen? How would the  
12 witnessing take place? Would they still stay on the table and  
13 then witnesses come by?

14          **A.**     No.

15          **Q.**     Okay?

16          **A.**     Once the para of the team signs, notarizes it and  
17 it's laid out for Cheryl to come and just sign, she doesn't  
18 review them. She just looks. The paper is going to be in the  
19 top folder. So it's visible for her. And she knows exactly  
20 where she would have to put her signature.

21                 Once she has signed all of the documents she would send a  
22 massive e-mail, please come collect your files.

23          **Q.**     Okay?

24          **A.**     And then the paralegals would go and collect their  
25 files.

1           Q.     And then the paralegals would take care of getting  
2 them witnessed?

3           A.     Yes.

4           Q.     How would they do that? Do you know?

5           A.     They would get another notary to go ahead and sign  
6 off.

7           Q.     So they'd swap?

8           A.     Yes.

9           Q.     So one notary/paralegal would pass hers to another  
10 notary/paralegal and vice-a-versa?

11          A.     Yes.

12          Q.     And they were signing as witnesses, documents that  
13 had already been notarized and executed? Is that correct?

14          A.     Correct.

15          Q.     Do you know what happened to the documents at that  
16 point?

17          A.     At that point, once everything was signed it was good  
18 to go, to go to court. So they would, you know, send out the  
19 second half. You know, the package would be sent, submitted to  
20 the court and we would wait for the hearing.

21          Q.     Are you aware of any of the documents before they go  
22 into court going into the County Recorder's Office to be  
23 recorded?

24          A.     No.

25          Q.     You're not aware of Assignments of Mortgage being

1 executed and filed with the County Recorder's Office and then  
2 sent to court?

3 A. No.

4 Q. Okay. That's fine. Can you tell me anything else  
5 that Cheryl Salmons was responsible for at the firm?

6 A. She was responsible for lost Notes, which is the LNA.

7 Q. The LNA?

8 A. Yes, LNA. It call a Lost Note Affidavit.

9 Q. Okay?

10 A. If we weren't able to locate it in the house or if it  
11 was lost in transition to the firm, I would normally take the  
12 file to Cheryl Salmons and she will make this affidavit appear.  
13 She would sign it and notarize it and stamp it and it was good  
14 to go. And the I was able to take it to the Title Department.

15 Q. And that was an Affidavit of Lost Note?

16 A. Yes.

17 Q. When you say make it appear, is she asking someone  
18 else for it?

19 A. No, I would bring the file to her and let her know,  
20 listen, we can't have an original Note. It's not here. The  
21 client -- It's missing. So we need an LNA.

22 I would leave it in her office and within an hour she  
23 would send me an e-mail come pick up the file or most of the  
24 time she would just have her file clerk take the file, already,  
25 to the Title Department and it would be good to go.

1           Q.     When you say good to go that means she had her  
2 affidavit executed?

3           A.     Executed, stamped by her.   Yes.

4           Q.     What else did she do?   Her role?

5           A.     Her role was to train.   To have her other departments  
6 training new employees how to prepare motions, defaults,  
7 requesting docs. And it was a work in progress, about ten hours  
8 per day. So everyone was pumping out as many files as they can.

9           Freddie Mac was one of the majority one.   Freddie Mac, as  
10 well.

11          Q.     You mean Fannie Mae and Freddie Mac?

12          A.     Yes.

13          Q.     Both of them?

14          A.     Yes.

15          Q.     As her personal assistant, were you ever aware that  
16 Ms. Salmons would bring in her personal home bills, private  
17 bills to be paid for by the firm?

18          A.     Yes.

19          Q.     Could you tell me about that?   Did she give them to  
20 you or who did she give them to?

21          A.     She would never give them to me. They were always  
22 given directly to Shamisa (phonetic).

23          Q.     Can you spell that?

24          A.     I recall can't spell it.

25          Q.     And what's the last name, if you know?

1           A.     I don't know her last name.

2           Q.     Okay. What was her job there?

3           A.     She was the head accounting.

4           Q.     You say was, is she no longer there?

5           A.     No.

6           Q.     She's left?

7           A.     Yes.

8           Q.     Was she fired or quit? Do you know?

9           A.     Terminated.

10          Q.     Do you know why?

11          A.     No.

12          Q.     Okay. Shamisa?

13          A.     Shamisa.

14          Q.     So she would -- Now how are you aware that these were

15          her personal bills?

16          A.     Because I was good friends with one of her

17          assistants.

18          Q.     The other assistant?

19          A.     Yes.

20          Q.     Okay. And what was her name?

21          A.     Erica.

22          Q.     Cheryl Salmons' assistant?

23          A.     No, Shamisa's assistant.

24          Q.     You were good friend with?

25          A.     Shamisa's assistant.

1 Q. Who was the head accounting person?

2 A. Correct.

3 Q. And what did this friend say?

4 A. Just regular bills, car payments, cell phone, house,  
5 electrical.

6 Q. When you say house, do you mean mortgage?

7 A. I'm assuming. I'm not sure. I never saw the bills.

8 Q. Right. What's the friend's name of Shamisa?

9 A. Erica.

10 Q. Erica who?

11 A. I'm trying to remember her last name. I can't  
12 remember right now. And -- There's someone else. I just can't  
13 remember right now.

14 Q. Do you know how to spell Erica, E-r-i-c-a?

15 A. It was E-r-i-c-k-a.

16 Q. C-k-a?

17 A. Yes.

18 Q. Okay. And she told you that Ericka would see Cheryl  
19 Salmons bills being paid for by Shamisa?

20 A. Yes.

21 Q. Was this paid for out of the Law Offices of David  
22 Stern account?

23 A. Yes.

24 Q. And Ericka saw this?

25 A. Yes.

1 Q. Were they being paid on a monthly basis?

2 A. Yes.

3 Q. Were they being paid like that since -- How long did  
4 you know about it?

5 A. I knew about it from the beginning.

6 Q. Right when you got in there?

7 A. Yes.

8 Q. And what was said about Cheryl's bills being paid for  
9 the Law Offices of David Stern?

10 A. That he's always done it. David Stern has always  
11 paid for Cheryl's expenses.

12 Q. Personal expenses?

13 A. Yes.

14 Q. Do you know if he -- Well was there rumor -- Was  
15 there talk, rather, that he paid -- that he bought her car?

16 A. No, that's confirmed. He did buy her a car. I  
17 acknowledge that.

18 Q. He did buy her a car?

19 A. Yes.

20 Q. What kind of car did he buy her?

21 A. It was a BMW SUV.

22 Q. And how do you know that?

23 A. Because he left her a voice message and since I was  
24 Cheryl's assistant I had privileges of going and reviewing her  
25 voice mail. And that day in particular, he wanted to make sure

1 that was satisfied with the car. If not they can return the car  
2 and she could get a different car.

3 Q. But he said, I bought you a car?

4 A. Yes.

5 Q. Did he say why he bought her the car?

6 A. No.

7 Q. Did you ever hear of him buying her a home?

8 A. No.

9 Q. Did you ever hear that he had bought cars or  
10 automobiles for her before?

11 A. Yes.

12 Q. What did you hear about that?

13 A. I've heard it before from Maggie Pena and she was  
14 another assistant for Shamisa. And --

15 Q. That's in accounting?

16 A. Yeah, in accounting. And he's -- I think it's every  
17 year that she always gets a new car. They swap out the car and  
18 she gets a new one, the new version for the SUV BMW.

19 Q. Do you know of any other, for lack of a better word,  
20 perks that Cheryl Salmons got?

21 A. Not that I recall.

22 Q. Are you aware of anyone other than Cheryl Salmons  
23 signing Cheryl Salmons' name to documents?

24 A. Yes.

25 Q. Could you tell me about that, please?

1           **A.**     Cheryl would give certain paralegals rights to sign  
2 her name, because most of the time she was very tired, exhausted  
3 from signing her name numerous times per day. You had to  
4 understand it was more than five hundred files that she's  
5 signing morning and afternoon.

6           **Q.**     Five hundred in the morning and then another five  
7 hundred in the afternoon?

8           **A.**     Yes.

9           **Q.**     So approximately a thousand a day?

10          **A.**     A thousand day.

11          **Q.**     Okay?

12          **A.**     So yes, she would -- you know, if they were very  
13 close with Cheryl Salmons --

14          **Q.**     They who? Could you give me their names?

15          **A.**     Shannon Smith, Elizabeth Davilla, Beth Cerni.

16          **Q.**     These people were allowed to sign her name?

17          **A.**     Yes.

18          **Q.**     Are you familiar in any way, shape or form at all  
19 that they would learn how to sign like she did?

20          **A.**     Yes, she showed me herself how to sign her name.

21          **Q.**     She should you as well?

22          **A.**     Yes.

23          **Q.**     Did you learn?

24          **A.**     Yes.

25          **Q.**     Could you do it now?

1           A.     Yes.

2           Q.     Okay.  Let me give you a piece of paper and ask you  
3 to go ahead and do that for me?

4           A.     You have to give me some time.  It's been a while.

5           MS. CLARKSON:  I'm going to have this marked.

6           (Thereupon, the document was marked as Plaintiff's Exhibit  
7 2 for identification.)

8 BY MS. CLARKSON:

9           Q.     Did you ever sign for Cheryl Salmons?

10          A.     Yes.

11          Q.     What did you sign?

12          A.     PTO requests for employees.

13          Q.     What is that, please?

14          A.     Personal time off.

15          Q.     What else did you sign, if anything?

16          A.     That's it.

17          Q.     What is personal time off?

18          A.     Vacation requests.

19          Q.     You just granted their --

20          A.     Yes.

21          MS. CLARKSON:  Okay.  I'm going to ask you to look at  
22 this document.  It's called an Assignment of Mortgage.  It  
23 is executed by Cheryl Salmons from the Law Office of David  
24 Stern.  I'm going to have it marked.

25          (Thereupon, the document was marked as Plaintiff's Exhibit

1 3 for identification.)

2 BY MS. CLARKSON:

3 Q. Do you recognize that signature?

4 A. Yes.

5 Q. Now can you tell if that's Cheryl's or Beth's or  
6 whose?

7 A. No, that's Cheryl's.

8 Q. That's Cheryl's?

9 A. Yes.

10 Q. That's Cheryl Salmons'?

11 A. Yes.

12 Q. Can you tell the different between Cheryl's and  
13 Beth's and anyone else that was able to sign?

14 A. No.

15 Q. You couldn't?

16 A. No.

17 Q. Now I'm going to show you three and two, and ask you  
18 again, if that is the way you would sign?

19 A. It would be exactly like this but with more of a  
20 curve.

21 Q. You would put more loops into it?

22 A. Yes.

23 Q. This is the first time you've signed this in how  
24 long?

25 A. Like two years and a half.

1           **Q.**     Do you know approximately how many documents you  
2 signed in her name?

3           **A.**     Maybe fifty.

4           **Q.**     When you said that you could tell that this was  
5 Cheryl's signature, how can you tell?

6           **A.**     Because of the shape of the C. She makes a big curve  
7 and then she loops down and then she makes another swerve. So  
8 it's not a signature. It's like an initial of her --

9           **Q.**     All right. I'm going to ask you to look at all three  
10 signatures on this after it gets marked as Exhibit 4. This is  
11 also an Assignment of Mortgage. It's from the Law Office of  
12 David Stern, supposedly signed by Cheryl Salmons, witnessed by  
13 Elizabeth Lee and notarized by Elizabeth Lee.

14           Do you know Elizabeth Lee?

15           **A.**     Yes.

16           **Q.**     Did anyone else have Elizabeth Lee's signature?

17           **A.**     No.

18           **Q.**     Did Elizabeth Lee sign for anyone else?

19           **A.**     For Cheryl.

20           **Q.**     She signed for Cheryl as well?

21           **A.**     Yes.

22           **Q.**     Now take a look at this document. There are three  
23 signatures there that all are squiggles. Do you know who signed  
24 those?

25           **A.**     No.

1 (Thereupon, the document was marked as Plaintiff's Exhibit  
2 4 for identification.)

3 BY MS. CLARKSON:

4 Q. Is that Cheryl's signature?

5 A. No.

6 Q. Is that Cheryl's signature or someone else's?

7 A. Cheryl's.

8 Q. Okay. And what about -- Are you familiar with  
9 Elizabeth Lee's signature?

10 A. No.

11 Q. Not at all?

12 A. Un-uh.

13 Q. Okay. So tell me about Elizabeth Lee and the signing?

14 A. She's a team lead for her group. I don't remember  
15 the group that she was in. But she was a head team lead.

16 Q. And she also was taught to sign for Cheryl?

17 A. Yes.

18 Q. And if you saw Elizabeth's signature on a document  
19 for Cheryl, could you tell the difference? Or could you tell the  
20 difference with Beth's?

21 A. Uhm --

22 Q. Or you could you only tell the difference that it's  
23 not her?

24 A. I can only identify Cheryl's signature.

25 Q. I'd like you take a look at this before I mark it and

1 ask you if that's Cheryl's signature?

2 A. The top one, yes.

3 Q. Right there?

4 A. Yes.

5 MS. CLARKSON: I'll mark it Exhibit 5.

6 (Thereupon, the document was marked as Plaintiff's Exhibit  
7 5 for identification.)

8 BY MS. CLARKSON:

9 Q. Take a look at this and I'm going to ask you if  
10 that's a signature of Cheryl Salmons?

11 A. No.

12 Q. How do you know that it's not her signature?

13 A. Because the C is not shaped correctly.

14 Q. Where is the C?

15 A. At the beginning of her signature. If you look at  
16 Exhibit 4, Cheryl, she forms like a C and it dips down into a  
17 loop which then goes like into an L and then converts into an S.

18 Q. Okay. And that's not her signature?

19 A. No.

20 Q. Do you recognize whose signature that is?

21 A. No.

22 Q. Okay. Had you seen any individuals personally with  
23 your own eyes sign Cheryl Salmons' name?

24 A. No.

25 Q. As part of your job did you ever speak with the

1 public? The people being foreclosed on?

2 A. When they called in the office, if I picked up the  
3 phone and it was a borrower, yes.

4 Q. Okay. So you had spoken with the borrowers?

5 A. No.

6 Q. Did you ever hear any complaints from the borrowers?

7 A. Yes.

8 Q. Could you give me an idea of what kind of complaints  
9 you heard?

10 A. That they had an eviction in 24 hours and that they  
11 were notified that they were going to be evicted. And this  
12 borrower, in particular, she just got out of the hospital. And  
13 she had just had a baby. So I put her on hold and I went to see  
14 Cheryl to advise her of the situation because this lady had  
15 nowhere to go. And Cheryl instructed me that was not her  
16 problem or her issue and to transfer her to Claudia Bunje  
17 (phonetic) the re-instatement supervisor.

18 Q. And what would the re-instatement supervisor do?

19 A. I have no idea.

20 Q. What was the Re-Instatement Department doing?

21 A. They will sometimes request pay off figures and  
22 re-instate the loan.

23 Q. Okay. Do you remember the woman's name?

24 A. No.

25 Q. How long did it take you to learn to sign like Cheryl

1 Salmons?

2 A. One day.

3 Q. But you never signed legal documents?

4 A. Never.

5 Q. Are you familiar with the manner in which Summonses  
6 were filled out or Service of Process?

7 A. Can you rephrase that a little bit for me?

8 Q. The Summonses that were attached to different  
9 Complaints to be served on the defendants, are you aware of what  
10 company was used for servicing those?

11 A. Yes.

12 Q. Could you tell me, please?

13 A. Provest.

14 Q. And you do you know who owns Provest?

15 A. No.

16 Q. Do you know who has any interest in Provest?

17 A. Yes.

18 Q. Could you tell me?

19 A. David Stern.

20 Q. How do you know this?

21 A. Because they work with us in the building.

22 Q. They work -- Provest works with David Stern in the  
23 building?

24 A. Yes.

25 MS. CLARKSON: Do you know if Provest -- Go ahead.

1 If you have a question?

2 MS. EDWARDS: Since they worked in the building with  
3 you, how is it that you know that David Stern has an  
4 interest in Provest?

5 MS. CLARKSON: Go ahead.

6 THE WITNESS: Because Provest, at the time, when I  
7 was working there, they were on the fourth floor. So they  
8 had one side of the building which it was a whole wing  
9 that was only set for Provest.

10 So any file that needed proof of service, if we  
11 didn't have the proof of service you would go directly to  
12 Provest and request for a copy of proof of service that  
13 was given to the borrower.

14 BY MS. CLARKSON:

15 Q. Okay. But that doesn't explain how you know that  
16 Mr. Stern had an interest in Provest?

17 A. Well --

18 Q. An ownership interest?

19 A. Ownership interest? I'm not aware of that. But that  
20 they worked closely with David Stern and that they had perks  
21 with David Stern, yes.

22 Q. Explain the perks, please?

23 A. Perks were that they were allowed to work in the firm  
24 with us as long as they were able to produce as many files for  
25 service completed for David.

1           **Q.**     Have you ever heard that Affidavits of Proof of  
2 Service were created when service actually was not perfected?

3           **A.**     Correct.

4           **Q.**     How did you hear that?

5           **A.**     In the office. Everyone knew about it.

6           **Q.**     Tell me what everyone knew about?

7           **A.**     Sometimes the borrower wouldn't be served correctly.  
8 It was back dated.

9           **Q.**     Anything else?

10          **A.**     Nope.

11          **Q.**     Have you ever heard of the term sewer service?

12          **A.**     I've heard of it before.

13          **Q.**     And where did you hear it?

14          **A.**     In the media.

15          **Q.**     In the media?

16          **A.**     Yes.

17          **Q.**     You didn't hear about it around David Stern's office  
18 or Provest?

19          **A.**     No.

20          **Q.**     Was it general knowledge or common knowledge around  
21 the law firm that David Stern had an ownership interest in  
22 Provest?

23          **A.**     I really wouldn't know. I would just know the part of  
24 getting the service completed and getting it back dated to have  
25 proof to the court that the borrower was served at a certain

1 time period.

2 We have to file our motions and our Complaint and it has  
3 to be just by routine, that time period.

4 Q. And is that at the direction of Fannie Mae or Freddie  
5 Mac or the banks?

6 A. The clients, yes.

7 Q. Have you heard about any irregularities in the  
8 billing of Provest?

9 A. No.

10 Q. Have you heard that Provest would serve or pretend to  
11 serve or try to serve four individuals at one property and bill  
12 four times, but only have one person actually living in the  
13 house?

14 A. Yes.

15 Q. Can you tell me about that? And what is it you know  
16 about it?

17 A. I've known about that part because I've overheard  
18 Cheryl numerous times talking to different paralegals where  
19 they've serviced three, four times and they've served at the  
20 wrong address and Cheryl's instructions was to go ahead and move  
21 on with the file. That the Judge wouldn't notice it.

22 Q. And the whole point of that was to keep the billing  
23 with that file even though it was the wrong address?

24 A. Correct.

25 Q. And who paid the bill?

1           A.     I wouldn't know. I'm sorry.

2           Q.     Okay. Have you ever seen Affidavits of Indebtedness?

3           A.     Yes.

4           Q.     Do you know what they are?

5           A.     Yes.

6           Q.     Could you explain to me what you believe they are?

7           A.     We call it more the -- It's the AOI. We get the  
8 Judgment figure from the client and it's like an escrow  
9 breakdown. Once we get all of the information from the client  
10 we prepare the AOI. It's prepared.

11           Then it's uploaded into a client system so the client can  
12 review it to make sure that everything is correct.

13           If everything is correct then they will sign the document  
14 and we will receive it and then from there on we will have to,  
15 you know, stamp it, date it, notarize it acknowledging this is  
16 the correct AOI so it can be submitted with the Motion for  
17 Summary Judgment.

18           Q.     Do you know what AOI stands for?

19           A.     Yes.

20           Q.     Affidavit of Indebtedness?

21           A.     Yes.

22           Q.     Okay. Also on this affidavit, would there be a space  
23 for expenses to the office, like service of process, complaint  
24 filing fee?

25           A.     There would be -- Not on the AOI, but it would

1 definitely the Affidavit of --

2 Q. Of attorney's fees?

3 A. Of attorney's fees. It would be included; filing  
4 fees, attorney's fees and processing fees.

5 Q. What about title company fees?

6 A. Sometimes they will be included. Sometimes it will  
7 automatically be included with the client. It just depends which  
8 client. Certain clients you can charge them \$200.00. Certain  
9 client it will be \$325.00. It just depended on which bank.

10 Q. And how did you -- How do you know which bank to  
11 charge \$300.00 and which bank to charge \$200.00?

12 A. There was a spreadsheet that basically tells you, you  
13 know, exactly what's the title fee for that bank.

14 Q. Are you aware of any of these affidavits, attorney's  
15 fees affidavits, being signed prior to the numbers being filled  
16 in?

17 A. No.

18 MS. EDWARDS: Can I?

19 MS. CLARKSON: Yeah. Go ahead.

20 BY MS. EDWARDS:

21 Q. When you talked about the Affidavit of Indebtedness  
22 that is filled out, I understood you to say that the figures are  
23 put in by the law firm and then reviewed by the client. Is that  
24 correct?

25 A. Correct.

1 Q. Okay. Who signs the Affidavit of Indebtedness?

2 A. That I wouldn't know. I really know who signs it.

3 Q. Is it somebody on the client's end or in Stern's  
4 office?

5 A. I really wouldn't know. I know it's uploaded into the  
6 client's system and then it's uploaded again for approval to  
7 proceed.

8 So I really wouldn't know who would sign it, exactly.

9 Q. Do you ever see the originals?

10 A. No.

11 Q. Is that one of the documents that's put on the table  
12 for signature?

13 A. I don't recall.

14 Q. You describe back dated service of process?

15 A. Yes.

16 Q. Who would direct that they should be back dated?

17 A. Cheryl Salmons.

18 Q. And did she do that whenever it was done? How did  
19 the request get to her?

20 A. The junior paralegal or the team lead would go into  
21 Cheryl's office or send her an e-mail to let her know the  
22 situation that the defendant wasn't served correctly. And they  
23 will have the discussion behind closed doors.

24 Q. And then how do you know the discussion was to back  
25 date it?

1           **A.**     Because one time I walked into the conversation,  
2 accidentally, and I overheard one of the juniors saying that  
3 this defendant wasn't served correctly and they were serving it  
4 at the wrong address and Cheryl said don't worry, just move on  
5 with the file. The Judge is not going to notice.

6           **Q.**     Okay. But that's not back dating. When did you hear  
7 about somebody saying there was going to be back dating on the  
8 service of process?

9           **A.**     Back dating -- They were doing the -- which is called  
10 the demand letter, which is the service. If I couldn't receive  
11 a demand letter and it wasn't in the client's system,  
12 Vendorscape or New Track, I would have to go with that file to  
13 Cheryl and then from there on the document will appear that the  
14 client's were served. Even though on my end I was requesting  
15 it. The client system couldn't provide it for me. So she will  
16 make the document appear that the client's were served.

17          **Q.**     So when you would be looking at the same document  
18 system that Cheryl Salmons had, you would look in the file.  
19 There would not be a demand letter that needed to be provided  
20 and served on the --

21          **A.**     Defendant.

22          **Q.**     -- on the homeowner. And then you would bring it to  
23 Cheryl's attention?

24          **A.**     Yes.

25          **Q.**     And then the document which was necessary to proceed

1 would magically appear?

2 A. Yes.

3 Q. How do you know it was done by Cheryl?

4 A. Because I gave her the file and in an hour or two  
5 hours she would give it back to me, it was done. Service was  
6 already on the file. It was printed out.

7 Q. Oh, it was printed out or was it on the --

8 A. It was printed out and attached to the file.

9 Q. And how could that have happened?

10 A. I would not know. I gave her the file. So I really  
11 wouldn't know how this document would appear, but it did appear.

12 Q. And does it have an original signature or is it only  
13 off of the computer?

14 A. It's more like a computerized image. There's not a  
15 signature. It's just basically Provest serving, you know, the  
16 borrower and then it's like an X marked served on such and such  
17 a date. So it's like more data entry, than a signature from  
18 someone saying yes, I've acknowledged that I received the  
19 service.

20 Q. Okay. And could Cheryl Salmons make entries into the  
21 computer that would result on those types of documents being  
22 created?

23 A. I wouldn't know.

24 Q. Does she have the ability to create documents that  
25 would show service of process on the computer?

1           **A.**     I wouldn't know.

2           **Q.**     Could you?

3           **A.**     No, not me. I didn't have that -- the knowledge or  
4 the authorization to make any alterations to any documents.

5           **Q.**     So you could see what was on there but you could not  
6 change it?

7           **A.**     Exactly.

8           **Q.**     But you don't know if Cheryl could see it and make  
9 changes?

10          **A.**     Correct.

11          **Q.**     So you would give her something and you would receive  
12 it back and it would have changes on it?

13          **A.**     Yes.

14          **Q.**     But it doesn't indicate there whether she made the  
15 changes or someone else? There's no initials or anything like  
16 that?

17          **A.**     No. None. None whatsoever.

18          **Q.**     Are you aware of any other improprieties in the  
19 service of process by Provest?

20          **A.**     No, none.

21          **Q.**     Did you ever hear any other conversations with her or  
22 David Stern on how the Provest service of process was being  
23 handled?

24          **A.**     No.

25          **Q.**     Did she have meetings with David Stern, regularly?

1           **A.**     Yes.

2           **Q.**     And were you ever privy to the meetings?

3           **A.**     No.

4           **Q.**     How often did she meet with him?

5           **A.**     Every time the clients were going to come to visit  
6 us which were the banks they would have a meeting prior to that  
7 and then after the clients leave.

8           **Q.**     And did anything happen in preparation for those  
9 meetings?

10          **A.**     They were discussing the files that were going to be  
11 viewed and what needs to be done to these files before the  
12 clients arrived into the office.

13          **Q.**     Was there anything that they did to make it look good  
14 to the client that wasn't actually happening?

15          **A.**     Yes.

16          **Q.**     What was that?

17          **A.**     Changing client code. Changing the client code in the  
18 file and hiding them from the client.

19          **Q.**     I'm not familiar with that. So could you tell me what  
20 you mean when you say changing the client code and hiding them?

21          **A.**     If certain files weren't up dated correctly and there  
22 was lack of process, they would change the client code in the  
23 file by -- if it was Countrywide they would change it into a  
24 different client name with a sticker and print it out and then  
25 these files were transferred into a room where they would hide

1       them and then keep them behind closed doors until the client  
2       would leave.

3           **Q.**     And which clients would come?

4           **A.**     Fannie Mae and Freddie Mac.

5           **Q.**     Were those the only ones that came?

6           **A.**     They were the ones that came the most to the office.

7           **Q.**     How often would you say they came?

8           **A.**     They came within that year, 2008, they came there  
9       more than seven or eight times.

10          **Q.**     Seven or eight times while you were there?

11          **A.**     Yes.

12          **Q.**     And what was the purpose of their trip?

13          **A.**     Reviewing the files, auditing, questions and concerns  
14       about how they're moving their files, what they want from David  
15       Stern, how to move their files.

16          **Q.**     Did you ever see any documentation or did you ever  
17       hear any conversations about what the problems were and what the  
18       concerns were and how they were resolved?

19          **A.**     Just on how to push the files into getting MSJ  
20       hearings granted and to push them to sale date.

21          **Q.**     Okay. So was their main focus on getting the  
22       foreclosures to final hearing?

23          **A.**     Yes.

24          **Q.**     Do you know why?

25          **A.**     No.

1 Q. Did you hear conversations about it?

2 A. Only through voice mail that David would leave to  
3 Cheryl Salmons.

4 Q. Saying what?

5 A. That the files from Freddie Mac and Fannie Mae, they  
6 need to pump out as much as they can for the month so they can  
7 meet the quota. What was the quota? I really wouldn't know.  
8 He didn't specify it. But that the clients weren't happy and  
9 that we needed to pick up our files.

10 Q. You mean to pick up the file or pick up the speed?

11 A. Pick up the speed.

12 Q. Okay. Was there anybody in particular that had  
13 contact with David Stern there when Fannie Mae or Freddie Mac  
14 visited?

15 A. David Stern had a contact from Freddie Mac that would  
16 advise him that they were coming to the office.

17 Q. So they would have notice ahead of time?

18 A. Yes.

19 Q. And who was that?

20 A. I wouldn't know.

21 Q. Are you sure?

22 A. Yes.

23 Q. Is there any way you can find out?

24 A. No.

25 Q. So he had somebody in Freddie Mac that called to tell

1 him they were coming?

2 A. Yes.

3 Q. And did they call -- Were they supposed to let him  
4 know ahead of time?

5 A. To my understanding, this was normal in the office.  
6 But I don't know if it was nor not. But yes, they would call.

7 Q. Would they call and set up an appointment or did they  
8 come unexpectedly?

9 A. No, they would call and let David Stern know that the  
10 following week they would be in the office for three or four  
11 days or a week. And David Stern would take care of their  
12 expenses of bringing them into the office; hotel, food, rental  
13 cars, whatever the client needed.

14 Q. How do you know that?

15 A. Because I heard the conversations through his voice  
16 mail when he left it for Cheryl. Plus I had to go out and cater  
17 for the clients when they came. So I had to purchase the drinks  
18 and the food and the catering.

19 Q. And then after they left what happened to the files  
20 that had been hidden?

21 A. They would leave the room and then we would have to  
22 change them back again to the right client code.

23 Q. And on how many occasions did you do that during the  
24 year you were there?

25 A. Like five, six, seven times.

1 Q. And how many files would you say you changed?

2 A. More than five hundred.

3 Q. And who else did that other than you?

4 A. It was me, Glenn Lewis, Vanessa Rios. And that's it.

5 Q. And were they -- Did they assist you changing those  
6 files?

7 A. Yes.

8 Q. Putting on the stickers and moving them?

9 A. Yes.

10 Q. Did all of you do five hundred together or five  
11 hundred each?

12 A. I know I did five hundred. I don't know what they  
13 other two did. But I know I did five hundred.

14 Q. Were they -- Were you in a room together or were you  
15 all separated?

16 A. No separated.

17 Q. Okay. So more than five hundred were changed by you  
18 on each occasion?

19 A. Yes.

20 Q. Who selected the people to do those changes?

21 A. Cheryl.

22 Q. So she selected the three of you to do that?

23 A. Yes.

24 Q. And she told you that was the purpose of doing it?

25 A. Yes.

1 Q. Was Stern aware of this?

2 A. I don't know.

3 Q. Because your only contact was with Cheryl?

4 A. Yes.

5 Q. Do you know whether there was a particular person at  
6 Provest that was handling it when the service of process was  
7 back dated?

8 A. No.

9 Q. Was there any particular person that dealt with David  
10 Stern from Provest or with Cheryl?

11 A. I wouldn't have that information.

12 Q. What was Mr. Stern's relationship with the people  
13 that worked in the office?

14 A. Can you specify that a little bit?

15 Q. Did he have -- Was he personal friends with anybody  
16 that worked in the office, as well as being in the office with  
17 them?

18 A. Yes.

19 Q. Who was that?

20 A. David Vargas.

21 Q. Anybody else?

22 A. Claudia Bunje, Miriam Mindietta, Beverly Macoma,  
23 Mr. Forester, Elizabeth Lee, Elizabeth Davilla, Vanessa Rios,  
24 Glenn Lewis, Jason Bennett. That's all I can remember right  
25 now.

1 Q. What about Cheryl Salmons?

2 A. Yes, with Cheryl Salmons, as well.

3 Q. When you say that they were personal friends as well  
4 as worked together, could you tell me the extent of that  
5 friendship, if you know?

6 A. I understand that with Cheryl they basically brought  
7 the company from scratch. So they have a very close, tight  
8 relationship as friends, more than colleagues.

9 With David Vargas, he was like -- They called him his  
10 protege. He started with the firm as a file clerk and then  
11 upgraded into, I think it was, a supervisor position but I'm not  
12 -- I can't remember the title.

13 Q. Uh-huh?

14 A. Miriam and Beverly, they were friends because Miriam  
15 and Beverly they have part ownership for the firm, as well. They  
16 invested.

17 Q. Uh-huh?

18 A. And Jason Bennett and Glenn Lewis are very close with  
19 Stern in regards like chit-chatting. Jason Bennett will  
20 basically update our bible in our company. So David Stern would  
21 constantly be talking to Jason if there were any new laws or  
22 regulations being changed to have these perks updated in our  
23 bible.

24 And Glenn Lewis, well, they know each other for more than,  
25 I think it's six or seven years. Don't really know the

1 relationship with them. But I know that he's very fond of Glenn  
2 Lewis.

3 Q. And did these people go out to dinner together? Go  
4 on vacations? Anything like that?

5 A. Only Cheryl and David Vargas will go on vacation with  
6 David Stern, at certain times.

7 Q. And would you say that David Stern was in the office  
8 every day?

9 A. Yes.

10 Q. And he had his own office, I'm assuming?

11 A. Yes.

12 Q. Did he share it with anyone? Did he have it to  
13 himself?

14 A. No, it was all to himself.

15 Q. And whose offices or whose desk was right around his  
16 office?

17 A. Paula Beacham, which was his assistant.

18 Q. Is she still?

19 A. I don't know.

20 Q. Okay?

21 A. And Cheryl Salmons and my cubicle was right in front  
22 of his office.

23 Q. Was there ever any conflicts that came up over how  
24 the foreclosures were being handled and what was supposed to be  
25 done to make things move more quickly?

1           **A.**     The only thing that was an issue in the firm is that  
2     if we had service releases for certain files -- When they're  
3     service released from one client, which is one bank, into  
4     another bank, those files automatically have to be updated  
5     within twenty-four hours.

6           We have to make sure that we're merging all of the  
7     information from the previous servicer into the new one so  
8     everything can show up in our client system, up to date.

9           And those files, we need to basically make sure that we  
10    did the Complaints correctly. We have to make sure that our MSJ  
11    was filed or if it wasn't filed we would have to prepare those  
12    and what documents were missing.

13          So those were one of the majority, when they became a  
14    service release, we had to make sure that those were basically  
15    taken care of and Fannie Mae and Freddie Mac. Those were top  
16    prior for David Stern.

17          The Freddie Mac and Fannie Mae were number one for his  
18    firm.

19          **Q.**     And do you know why that was?

20          **A.**     Because David Stern had a very close relationship  
21    with Freddie Mac and Fannie Mae.

22          **Q.**     How is that?

23          **A.**     They will call David Stern and, you know -- I don't  
24    know exactly who will call David Stern from Freddie Mac. I  
25    would not be in that conversation. But I know that those were

1 considered his babies. And the reason why I say his babies is  
2 because he expressed it numerous times in the firm, that those  
3 files cannot be played around with or not taken care of  
4 correctly. That those files need to be pushed as any other file  
5 but with an extra push to it.

6 Q. But these were the same files that were being hidden  
7 from them when they came in?

8 A. Yes.

9 Q. Well how it would be if they were worked properly  
10 that they would be hidden?

11 A. Sometimes if we got too many files and they're  
12 overlapping each other we pushed those files to the bottom of  
13 the pit. And the paralegal just wouldn't have enough time to  
14 update all these files. Some paralegals had up to five hundred,  
15 up to eight hundred files. A case load just for that one  
16 paralegal. So it was kind of hard to keep track of all of your  
17 files.

18 So if you had too many files for one individual, some of  
19 them are just going to pass by and you're not going to be able  
20 to catch on unless the client comes and questions what's going  
21 on with my files. And then that's when we would have to pick up  
22 that file from wherever it was hidden and push it and make sure  
23 that those files were being worked on right away.

24 Q. You mentioned before that Cheryl Salmons had a case  
25 that was transferred over to the re-instatement section?

1           **A.**     Yes.

2           **Q.**     Who decided if a foreclosure got moved over to  
3 re-instatement?

4           **A.**     The client will send a fax saying that the case is  
5 going to be re-instated for a loan modification or pay off  
6 figures.

7           Sometimes if the file was being transferred to another  
8 firm, we needed to have the pay off figures so we could bill the  
9 client before it can get transferred to the other firm.

10          **Q.**     Did cases often get transferred away from Stern to  
11 other foreclosure firms?

12          **A.**     Yes.

13          **Q.**     And what was the reason for that?

14          **A.**     I don't know.

15          **Q.**     And did you hear any conversations about that?

16          **A.**     No.

17          **Q.**     When they left his firm what firms would they be  
18 transferred to?

19          **A.**     Numerous, different -- Ben Azrick (phonetic). I know  
20 there was a lot of them from Ben Azrick.

21          **Q.**     To or from?

22          **A.**     No, going to Ben Azrick. Because I would see the fax  
23 from Ben Azrick. I used to pick up the fax machine paper from  
24 Cheryl's office and I would have to give all of those faxes from  
25 Ben Azrick to Claudia Bunje, which she was the supervisor for

1 the reinstatements. So I can acknowledge Ben Azrick, yes. But I  
2 can't remember the other firms that they were being transferred  
3 to. But I know for Ben Azrick, yes, because I saw the documents.

4 Q. If a property was sold by short sale during the  
5 foreclosure, how would the information get to David Stern's  
6 office so the foreclosure would be halted?

7 A. Sometimes the client will send like an intercom or an  
8 e-mail to let them know that this loan is going to be a short  
9 sale. But I wouldn't see them all the time. This is just  
10 sometimes, occasionally, I would see something like that.

11 Q. Was there ever an occasion when a case had been  
12 closed by the court, when there a decision made to try to get a  
13 summary judgment granted on it even though it had been closed by  
14 the court?

15 A. I don't have any record of that.

16 Q. Other than Cheryl going around twice a day to sign  
17 the documents that she was reading, was there anyone else that  
18 did that, as well?

19 A. Only Cheryl. And only when Cheryl was of town, that  
20 she would go on vacation, there was someone else that would sign  
21 on her behalf. Who was it? I really don't know.

22 Q. But they signed Cheryl's name?

23 A. Yes.

24 Q. And when you said those were the papers that were up  
25 on the long table on the four floors, what types of documents

1 were those?

2 A. Motions for Summary Judgment and Assignments of  
3 Mortgage.

4 Q. Would there ever be the AOIs?

5 A. I never saw them. They could have been with the file  
6 but I never saw those laying in the front.

7 Q. But whatever was on those long tables, nobody was  
8 reading? They were just putting their names on them?

9 A. Yes, they were just putting their names.

10 Q. Yes, there was no one reading them?

11 A. Yes, there was no reading them.

12 Q. Was there ever a Lost Note Affidavit put up there, do  
13 you know?

14 A. I don't know.

15 Q. And you said that the Lost Note Affidavits would just  
16 appear?

17 A. From Cheryl's office, yes.

18 Q. And was this an original that was signed and  
19 notarized?

20 A. Yes.

21 Q. And what signed by her?

22 A. Yes.

23 Q. How would she have known whether there was a lost  
24 Note?

25 A. Because I would go into client system, notify the

1 client that I was unable to get the original doc and that we  
2 were still waiting for them and it passed a month -- The time  
3 line was a month to review the original docs.

4 If we didn't receive it in our Original Docs Department,  
5 which I would send them an e-mail, then I would let Cheryl know  
6 that we need an LNA. I would bring the file. She would stay  
7 with the file. And then I would get them back with an LNA and  
8 stamp the notary.

9 Q. Signed by her?

10 A. Yes. And then I was instructed to go the Title  
11 Department with the file so they could move on with the file.

12 Q. So you would request the original Promissory Note?

13 A. Uh-huh.

14 Q. And if a month went by and it had not been received  
15 they then created a Lost Note Affidavit?

16 A. Yes.

17 Q. Did it mean that the Note was lost or did it mean you  
18 just hadn't gotten it?

19 A. That the original Note was lost.

20 Q. Who would have looked for it?

21 A. Cheryl or me.

22 Q. So why would you be sending an e-mail to the client  
23 or customer asking for it if the original would be with you or  
24 Cheryl?

25 A. I will only request for the original Note, if the

1 file is fresh, that the service demand was completed. Then the  
2 next step for me was to request the original Note for the  
3 mortgage, for the loan. If I didn't get a reply back from the  
4 client saying that they have the Note, that the Note was sent to  
5 us. Then I would have to go ahead and give it to Cheryl and  
6 then she would have to create the LNA, get the papers signed and  
7 notarized for me so that I can bring it to the Title Department.

8 Q. Okay. When you got these files to work on had the  
9 Complaint already been filed in them?

10 A. Yes.

11 Q. So when you received the files they already had a  
12 Complaint filed and yet the original Promissory Note and  
13 Mortgage was not in the possession of the law firm?

14 A. No.

15 Q. And it was not in the possession of the client?

16 A. No.

17 Q. Was the client the bank or the servicer?

18 A. The servicer. The servicer will contact the bank.  
19 It just depended which client's system. If it's New Track, it's  
20 the servicer and then the servicer will contact the bank. So it  
21 was more like a client system. It was like a third party and  
22 they would communicate with the bank and the bank would  
23 communicate with the servicer. And then it will be relayed back  
24 to us.

25 Q. How did the cases come through for Freddie Mac and

1 Fannie Mae?

2 A. They would come through New Track or Vendorscape or  
3 Land Star. It just depended on what service they were using at  
4 that time, what client system.

5 Q. So the first way Stern's office would get the  
6 information that they were being retained to handle the  
7 foreclosure was over this system?

8 A. Yes.

9 Q. Was there any contract in place with Stern's office  
10 and the firms that hired them?

11 A. I wouldn't know that information.

12 Q. Did you ever see the contracts?

13 A. I never saw that.

14 Q. Now you said that part of Cheryl's job in the office  
15 was to train other people?

16 A. Yes.

17 Q. And what did she train them to do?

18 A. Preparing motions and defaults.

19 Q. How would she train people to prepare motions and  
20 defaults when she wasn't a lawyer?

21 A. She had team leads that trained the new coming  
22 employees at junior paralegals. So she had her selected team  
23 leads that would go ahead and train these people in a special  
24 room and they would be training there for a month and a half to  
25 two months and a half preparing motions and defaults.

1 Q. Did they do Motions for Summary Judgment?

2 A. Yes.

3 Q. Did any lawyers prepare any motions?

4 A. Not to my knowledge.

5 Q. So everything they did was done by the paralegals?

6 A. Yes.

7 Q. Was it reviewed by lawyers?

8 A. Yes.

9 Q. Was it signed by lawyers?

10 A. Yes.

11 Q. Were there ever changes made on any of the motions  
12 prepared by the paralegals?

13 A. If there were some errors in the mailing address or  
14 errors in the verbiage, yes.

15 Q. At what point after you received the file was the  
16 original Note and Mortgage requested by you?

17 A. I would always request the original Note once I had  
18 my demand letter service completed. If I received from the file  
19 room then it was good to go and I would take it to the fifth  
20 floor where title was and I would give it to Stephanie Carrabayo  
21 or I would give it to -- I mean, not Stephanie Carrabayo,  
22 Stephanie Izquierda or Carol Whitlow and Carol Whitlow was the  
23 manager for title.

24 Q. Okay. Now you said if you received the original Note  
25 and Mortgage from the file room?

1           **A.**     Yes. The file clerk would bring it to me. I would  
2 send an e-mail to the Doc Department requesting that I needed  
3 the original docs for this file.

4           **Q.**     Did they hold original docs there?

5           **A.**     Yes, if they had them. Yes.

6           **Q.**     How would they get original docs if they hadn't been  
7 aware that there was going to be a foreclosure?

8           **A.**     I don't know.

9           **Q.**     Did they create documents there?

10          **A.**     I don't know.

11          **Q.**     When the documents went to the Title Department what  
12 happened then?

13          **A.**     I wouldn't be able to tell you. Once --

14          **Q.**     It was out of your hands?

15          **A.**     Yes, it's out of my hands. Once it leaves my hands,  
16 that I requested the demand, the original Note, then it's off my  
17 hands.

18          **Q.**     You described a little bit about the rapid docket  
19 where two to five hundred cases were handled and that Salmons  
20 arranged to have that many cases moving there?

21          **A.**     Yes.

22          **Q.**     Do you know who created the rapid docket?

23          **A.**     Honestly?

24          **Q.**     Yes?

25          **A.**     I know the rapid docket was approved by the court.

1 Which court? It just depended which court was approved for  
2 rapid docket and which Judge was allowing five minutes hearings.

3 Once we had the okay from that Judge in that County, then  
4 all of these files would start being prepared with the Motions  
5 for Default so we could get the hearing.

6 Q. Did you hear any conversations or were you privy to  
7 anything about who's idea it was to start the rapid docket?

8 A. No.

9 Q. Do you know if there were meetings with David Stern  
10 and anyone in the judicial system to get approval for the rapid  
11 docket?

12 A. No.

13 Q. What about Cheryl Salmons?

14 A. No.

15 Q. How did you first find out about the rapid docket?

16 A. Jason Bennett sent an e-mail out to the -- to all  
17 employees to let them know that certain counties were, at that  
18 time, allowing rapid docket five minute hearings and just to  
19 make sure to get those files moving the quickest.

20 Q. So who was responsible for getting that many files  
21 moving?

22 A. The paralegals and the juniors getting all of the  
23 motions prepared before hearing.

24 BY MS. CLARKSON:

25 Q. When you call it the rapid docket, do you mean rocket

1 docket?

2 A. It's the same thing. But they call it the rapid  
3 docket.

4 Q. Okay. When you left the Law Office of David Stern,  
5 did you leave on your own or were you fired?

6 A. No, I left.

7 Q. You left on your own?

8 A. Yes, I left. I gave three weeks notice.

9 Q. Why is that you wanted to leave there?

10 A. It was just -- I was getting very sick, very ill. So  
11 I just didn't want to stay with the firm any more.

12 Q. Physically ill?

13 A. Yes.

14 Q. Did you take anything when you left?

15 A. Like what exactly?

16 Q. Any documents, e-mails?

17 A. No, none.

18 Q. Nothing?

19 A. No, just my resignation letter and the letter from  
20 H.R.

21 Q. Were you aware of any other improprieties going on or  
22 what you considered to be improprieties that caused you concerns  
23 at the Law Office of David Stern?

24 A. Like?

25 Q. Anything?

1           **A.**     Can you just name me like a subject, so at least I  
2 know exactly what direction?

3           **Q.**     Anything that --

4           **A.**     Is it like personal or business or --

5           **Q.**     Personal? Business? Anything at all?

6           **A.**     Personal? The only thing that I was aware of that  
7 took place there were the perks that certain employees received  
8 from David Stern. If they were either dating him or they were  
9 good friends with him, that they would basically do certain  
10 things for him for certain files, in the sense of like David  
11 Vargas. He would have certain perks from David Stern, like a  
12 house, a car, cell phone paid all by David Stern.

13                   And that's all I know.

14           **Q.**     Okay. So do you know of any other perks besides what  
15 you said that Cheryl Salmons got? A car you said, for sure.  
16 And her personal bills paid.

17           **A.**     Yes. And cell phone.

18           **Q.**     And probably her mortgage?

19           **A.**     Yes. And vacations and gifts, jewelry.

20           **Q.**     Who else would received gifts and jewelry or cars or  
21 homes?

22           **A.**     His girlfriend and David Vargas.

23           **Q.**     Who's his girlfriend?

24           **A.**     At the time it was Christina Dell'Aguila

25           **Q.**     Could you spell that, the best you can?

1           A.     D-e-l-l, apostrophe, A-q-u-i-l-a.

2           Q.     And what was her position in the firm?

3           A.     She was just a paralegal, a junior paralegal.

4           Q.     A junior paralegal?

5           A.     Yes.

6           BY MS. EDWARDS:

7           Q.     When you said that things were being done for files,  
8           for specific files, what did you mean by that?

9           A.     I know and I was aware of David Vargas. He had  
10          control over certain client systems that I had no control over;  
11          Lend Star. And there he would -- How can I explain to you? He  
12          would like fabricate certain documents and upload it into the  
13          client's system like back dating them.

14          Q.     How do you know that?

15          A.     Because I was privileged to that information because  
16          one of the girls that worked with him gave me that information  
17          that he was changing documents for David Stern. What type of  
18          documents? She never specified. But that he was changing these  
19          documents in Lend Star.

20          Q.     Okay. I'm a little confused. He was doing it for  
21          David Stern?

22          A.     Yes, on certain files. But she didn't know exactly  
23          what documents were being changed.

24          Q.     What is her name?

25          A.     It was Gianna Rodriguez.

1 Q. Is that G-i-a-n-n-a?

2 A. Yes.

3 Q. And does she still work there, as far as you know?

4 A. No, she was fired.

5 Q. Why was she fired?

6 A. I have no idea.

7 Q. Was there anything she was doing wrong that you know  
8 of?

9 A. Not to my knowledge.

10 Q. Do you know where she lives?

11 A. No.

12 Q. How long did she work for David Vargas?

13 A. I can't remember.

14 Q. As long as you were there?

15 A. Yes.

16 Q. Did he fire her?

17 A. Cheryl Salmons fired Gianna.

18 Q. But you don't know why?

19 A. No.

20 Q. And Cheryl never said anything to you?

21 A. No. No.

22 Q. Do you know anybody else that Cheryl fired while you  
23 were there?

24 A. She fired a lot of people. It just depended.

25 Q. Did she have authority to hire and fire?

1           **A.**     Yes.

2           **Q.**     Any lawyers?

3           **A.**     The lawyers, they would be fired by Beverly and  
4     Miriam.

5           **Q.**     Why would they fire lawyers?

6           **A.**     They don't give that information out.

7           **Q.**     But they did fire them?

8           **A.**     Yes, they would.

9           **Q.**     Did they hire them?

10          **A.**     Yes.

11          **Q.**     And did they do that with David Stern's approval or  
12     did he give them authority or how did that work?

13          **A.**     With David's approval.

14          **Q.**     Did he know before or after it happened?

15          **A.**     He knew it before, before they got fired.

16          **Q.**     How do you know that?

17          **A.**     Because Beverly or Miriam, both of them would go into  
18     David's office before an attorney would be fired behind closed  
19     doors and then you know that they were being terminated.

20          **Q.**     Did you ever hear Mr. Stern or did you hear about  
21     Mr. Stern expressing any concern about the investigation of  
22     these foreclosure mills?

23          **A.**     Not to my knowledge when I worked there, no. Never.

24          **Q.**     And did you ever hear any conversations of Cheryl's  
25     about the problems going on with the foreclosures?

1           **A.**     No, not when I worked there. No.

2           **Q.**     Since then did you hear anything from them?

3           **A.**     From the office?

4           **Q.**     Or from anyone that you know that was there at the  
5 office?

6           **A.**     From friends that I still have there, yes. That  
7 they're very worried, yes.

8           **Q.**     You have friends that still work at the office?

9           **A.**     Yes.

10          **Q.**     Doing what?

11          **A.**     Foreclosure paralegals, docket return clerks.

12          **Q.**     And what are they telling you?

13          **A.**     That they're very scared. That's it.

14          **Q.**     That your friends are scared?

15          **A.**     Yeah, that my friends are scared.

16          **Q.**     Did they say anything about what's going on with  
17 Stern or Cheryl Salmons or anybody else?

18          **A.**     The only concern was that they were moving files out  
19 of the office into a different office and that Eighteen Inch  
20 Freight, I think, was picking them up. Something like that.  
21 Trailer freight, something like that.

22          **Q.**     Do you know where --

23                   MS. CLARKSON: Eighteen wheeler?

24                   THE WITNESS: Yeah, eighteen wheeler.

25                   BY MS. EDWARDS:

1 Q. Do you know where they were moving them?

2 A. Supposedly they were being moved to Orlando's office.

3 Q. And do you know why they would do that?

4 A. No.

5 Q. Do you know how long ago this was going on?

6 A. I think a month and a half ago.

7 Q. What kind of office is Orlando?

8 A. David Stern has another law office in Orlando,  
9 Florida.

10 Q. What office is that?

11 A. I don't know.

12 Q. And was it connected with the office here in Broward  
13 County?

14 A. Yes.

15 Q. And do you know which -- what the office is there or  
16 what the location is?

17 A. No, I just know it's another law office for David  
18 Stern that he's opened for foreclosures in Orlando.

19 Q. And did he just open it a month and a half ago?

20 A. No. He opened it, I think it was either sometime at  
21 the beginning of this year or the end of last year. I can't  
22 remember.

23 Q. 2010?

24 A. Yeah.

25 Q. Or December 2009?

1           A.     It could be around that time. I just can't remember.

2           Q.     Well do you know if these files were being moved out  
3 over concern of the investigation?

4           A.     Oh, I don't know.

5           Q.     Or just because they were moving files?

6           A.     They were just moving a particular bunch of files to  
7 that office to be reviewed. That's what -- You know, my friend  
8 expressed that they were going to be reviewing them over there.

9           Q.     And do you know what files, what group of files it  
10 was?

11          A.     No. I don't know.

12          Q.     Do you know who was going to be reviewing it?

13          A.     No.

14          Q.     And did the eighteen wheeler come and pick them up  
15 during the day time, do you know?

16          A.     Yes.

17          Q.     But you don't know when it was?

18          A.     Exactly. No.

19          Q.     Other than that did you hear -- Did your  
20 acquaintances say anything else about what's been going on there  
21 in the last six months?

22          A.     No.

23                   MS. EDWARDS: Okay. I don't have anything else.

24                   BY MS. CLARKSON:

25          Q.     I'd just like to know if you recall the name of any

1 lawyers that were fired?

2 A. I can't remember. There were so many of them. I just  
3 can't remember of all of them. And I'm not good with their last  
4 names.

5 Q. But if you do recall will you let me know, if you get  
6 a chance?

7 A. Sure.

8 MS. CLARKSON: Okay. You have my card?

9 THE WITNESS: Yes.

10 MS. CLARKSON: Okay.

11 MS. EDWARDS: I don't think we have any other  
12 questions. Do they have anything?

13 MS. CLARKSON: Doug are you there?

14 MR. LYONS: Yes. I just had you on mute. So that was  
15 the clicking that you heard.

16 MS. CLARKSON: Yeah, we knew that. We're done. Does  
17 she want to waive or read?

18 MR. LYONS: No, let her read. That way we can make  
19 sure that everything is accurate.

20 (Thereupon, the deposition was concluded.)
